Split nearly any purchase into three interest-free payments — with no fees. It's that simple.

A promotional graphic for PayPal's 'Pay in 3' service. It features a woman in a purple tank top and white pants, smiling and looking up against a blue sky. Overlaid on the image is a white box containing the 'Pay in 3' logo, a progress indicator showing '1 of 3 paid' (a blue arc on a grey circle), and payment details: 'You've Paid £30.00' and 'Remaining £60.00'. At the bottom of the box is a black button with the text 'Make a Payment'.

Pay in 3 is an unregulated credit agreement, so you will have fewer protections under this agreement than you would under a regulated credit agreement. Carefully consider whether the purchase is affordable and how you will make the repayments. Be aware of the possible impact of using Pay in 3 and of missing payments, including making other borrowing more difficult or more expensive.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook.

No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook.

No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

Henry

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook.

No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook.

No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before

embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within

the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

Raunak

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

Update:

I disconnected Raunak Matmari from my connections in LinkedIn on reading this message this morning.

07.08 am (UK-Time) 28 February 2025

Rubbish Spamming posts came for the TCLS website that I just deleted: nothing has come in LinkedIn. Nothing has come from the Attorney General's Office.

LinkedIn is still not letting me invite new connections with the following message coming up when I tried: *Your invitation to Ethan J was not sent because you have reached the weekly limit for connection invitations. Please try again next week.*

08.42 am (UK-Time) 28 February 2025

Couple more posts came for Daily Bulletin and TCLS: did not bother opening them to even read what shit must have been posted. Not bothered with the websites now. They are past their sell-by dates. All I need to know is where I stand on the legalities.

PREFACE

At 11.01 am, the Mobile Phone rang from a Spam Caller dialling from 07986 080 351. It was clearly a direct hit on me and so I published the full version of the Book: 'Does Anyone have any Queries' in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'there were no queries from the Attorney General of the United Kingdom by 11.05 am 28 February 2025'. Now the State has to digest it all and issue proceedings.

What is the half-life of Artvigil 150?

Artvigil 150 has a half-life of approximately 12 to 15 hours. This means that it takes this amount of time for half of the drug to be eliminated from the body. Due to its long half-life, its effects can last throughout the day, promoting wakefulness and alertness. However, taking it too late in the day may lead to difficulty sleeping. Individual factors like metabolism, liver function, and other medications can influence how long it stays active in the system.

Artvigil 150 has a half-life of about 12 to 15 hours, meaning it stays active in the body for an extended period. Its long duration helps maintain wakefulness throughout the day. [Click Here : buy Artvigil 150](#)

Instead of taking drugs, try gyan yoga and more specifically satya-advaita yoga and you will find that you get as much sleep and wakefulness as the inner self requires you to in terms of the work you need to do throughout the day and evening.

: Important mainly because it was sent directly to you.

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

Comments:

Recapping, the 20 February 2025 email referred to by the financial Ombudsman concerns the following submission: so that the Ombudsman is activating the Claim E35YM660 and by me replying 'Yes please, thank you', I have accepted that the Court's jurisdiction over the case.

To
 Financial Ombudsman

You will recall that I had specified that the 6 Banks against whom I have complained to the Financial Ombudsman over the past year are to be treated as one complaint perpetrated by the State authorities involving the Security Services; the original Case numbers are as set out in the link here: <https://www.knowledgeassessmentanddissemination.com/post/press-release-concerning-the-financial-ombudsman-service>

This investigation is taking far too long for my needs and I call upon the Ombudsman to speed it up by forcing the Banks to issue their final written replies to you which you will then pass on to me for review of the attached developments THE MASSACRE TAKES SHAPE-digital.pdf

Yours sincerely

THE MASSACRE TAKES SHAPE-digital.pdf (https://archive.org/details/the-massacre-takes-shape-digital_20250221)

THIS DOCUMENT PUTS THE ONUS ON THE FINANCIAL OMBUDSMAN TO DO THE NECESSARY GROUNDWORK, AND CANNOT BE PUBLISHED BECAUSE IT HAS ACCEPTED THE METHOD BY

WHICH IT SHOULD FORCE THE BANKS TO ISSUE THEIR FINAL LETTERS TO RESOLVE THE COMPLAINTS AND IT SHOULD BE TREATED AS A SINGLE COMPLAINT. MY CASE NOW PUBLISHED IS AT THE ATTORNEY GENERAL'S OFFICE TO WHOM THE COURTS AND THE FINANCIAL OMBUDSMAN SHOULD ANSWER TO. IF THE FINANCIAL OMBUDSMAN REPLIES TO ME TO THIS RESPONSE THE ORGANISATION OF THE STATE-TERRORISM ON ME WILL BE DISCUSSED FULLY AS THE SCOPE OF THE INVESTIGATION HAS BEEN ACCEPTED BY THE OMBUDSMAN BY REFERRING TO THE LETTER EMAILED TO HIM/HER ON 20 FEBRUARY 2025. AND I HAVE AN AUTOREPLY FROM THE OMBUDSMAN TO THIS LEGAL EFFECT. THIS IS ESPECIALLY SO BECAUSE THE ATTORNEY GENERAL NOR THE CENTRAL LONDON COUNTY COURT HAS WRITTEN TO ME ON THE ADJOURNED HEARING OF THE 20 JANUARY 2023 10.00 AM AT THE CENTRAL LONDON COUNTY COURT.

12.08 pm (UK-Time) 28 February 2025

Further Comments:

So it is clear that the Financial Ombudsman cannot reply directly to the email returned even to ask me when I will send in the Complaint Form: for I will as set out above with a copy of the 20 February 2025 document. And indeed, I can just attach this eBook to the Complaint Form for further processing and justifying the Claim for damages and compensation submitted to the Attorney General with no reply coming from him to the published deposition at https://archive.org/details/does-anyone-have-any-queries-digital_202502

To protect my achievements in website developments and the Conservative Libertarians (UK) and global, I must never contact the Financial Ombudsman again, without some contact from the Ombudsman or any of the Banks. As I have already published: there were no queries from the Attorney General, and that is what I will specify relating to the 340 eBook.

These are just some thoughts, I cannot dwell on them, for one thing: the State can say that the Attorney General has no jurisdiction to comment on what I have brought to his attention last night or during previous communications so sees it as irrelevant.

So all these analysis is useless the way my mind has learnt to work.

12.47 pm (UK-Time) 28 February 2025

At 12.48 pm the Mobile Phone rang from a Potential Fraud Scam Caller dialling from 0333 053 4788.

And one can now see that the numerous shit posts in Brananet and Knowledge for World Conservation as well as in Allurement of Reality this morning with this second Spam Call shows that the terrorism of annoyance is continuing. But I still cannot publish this eBook to keep my options open. As long as I have survived another morning of intrusions, who cares. This Phone Call means nothing for I can defend my self with this document in a Court with he jotting down of these analytical considerations. I am certainly not going to use up my arguments by publishing any of it.

The matter is clearly with the Financial Ombudsman for this is where the last communication was received from. I have to protect my family: that has always been the bottom line. I have an adjourned Hearing on E35YM660 since 20 January 2025: that is the Defence.

Something has to come from the County Court of Central London to explain why it has been kept adjourned. I have nothing to fear because of this fact. There is a document Notice of Hearing lying around without action on it.

Today is a Friday. The less I write in this book now the better. Total waste of time. I have won my dignity, my reputation is intact.
